## Press Information

### **FIRST GLIMPSE OF BENTLEY SUV**

**(Crewe/London, 19 March 2014)** Bentley Motors today releases the first picture of the Bentley SUV, due to hit roads in 2016.

It will be the most luxurious and powerful SUV on the market, setting it apart from any other SUV, true to the brand hallmarks of luxury, performance, quality and craftsmanship.

Dr Wolfgang Schreiber, Chairman and Chief Executive at Bentley Motors, commenting at a press conference in London, said: "It will create a completely new segment in the SUV market."

The SUV forms part of Bentley's £800 million investment in new model and facilities development in the next three years. The company anticipates a minimum annual sales volume of 3000 SUVs.
