### ROLLS-ROYCE CELEBRATES AN EXTRAORDINARY YEAR

30 December 2013, Goodwood

As 2013 draws to a close, Rolls-Royce Motor Cars celebrates an extraordinary year in a suitably unique, innovative and effortless fashion.

Pinterest, the pinboard-style photo-sharing website, has been selected to highlight 50 high points for Rolls-Royce during 2013. Visitors to the site are invited to experience a wealth of images and films celebrating a landmark year for the world's leading luxury manufacturer.

The year began with celebrations for a decade of production at the Home of Rolls-Royce and the announcement of record annual sales – the highest in the history of the marque and the third consecutive record year. The Geneva International Motor Show in March saw the launch of Wraith, the most powerful and dynamic Rolls-Royce in history. Other highlights included FAB1 – supporting Breast Cancer Care – the drama of the award-winning Centenary Alpine Trial and the unveiling of several stunning Bespoke models.
